

PRODUCT SHEET:

RAMPTECH® NAVISTAR® IDI 6.9L/7.3L DIESEL ENGINES

ENGINE OVERVIEW

RAMPTECH® is a premier supplier of remanufactured Navistar IDI diesel engines. Our premier product in this group is the dyno-tested complete Drop-In configuration.

NAVISTAR IDI 6.9L/7.3L ENGINE APPLICATIONS

RAMPTECH's IDI 6.9L/7.3L diesel engines are configured specifically to you application

- Navistar IDI 6.9L Naturally Aspirated
- Navistar IDI 7.3L Naturally Aspirated
- Navistar IDI 7.3L OE Turbo

RAMPTECH® offers this engine in Long Block and Complete Drop-In configurations to support all needs.

DYNOMOMETER TESTING

All of RAMPTECH's Complete Drop-In engines are 100% dyno-tested prior to shipment. Computer controls ensure that each dyno test is conducted under standard, repeatable settings. Every engine is run through a warm-up cycle, three separate loading segments simulating light, medium and heavy throttle conditions, maximum torque and horsepower tests, both high and low idle tests, and a black light leak-detection test with dyed oil, coolant, and fuel.
