

PRODUCT SHEET:

RAMPTECH® PCA ADAPTORS HIGH PERFORMANCE NON-METALLIC

Up to the task. Any task.

Failure is not an option. Especially on a busy ramp where every moment counts and the difference between optimal efficiency and time lost can depend on the GSE parts you choose. RAMPTECH® PCA adaptors from Sage Parts are engineered best to perform best – day in and day out, year after year, under the most demanding conditions.

See the difference real quality makes.

Hot and cold temperature extremes? No problem. Corrosion? Forget about it. RAMPTECH® PCA adaptors resist corrosion and they feature a patented non-metallic design with high-impact polyethylene and amorphous nylon construction for unmatched overall durability. Compare, and see the difference: for example, it's common for metal adaptors to not only rust but also to develop dangerous edges and even get crushed as they drag along the ground... compromising safety. What's more, sharp edges can damage hoses. RAMPTECH® PCA adaptors are impervious to those challenges.

Easy does it.

Due to their extremely lightweight design, RAMPTECH® PCA adaptors are very easy to maneuver on an airport ramp – increasing the productivity of ground support personnel. Furthermore, installation is simple and instant. Looking for yet another benefit? RAMPTECH® PCA adaptors are also maintenance free, helping to reduce costs.

MB828

MB828SW45

MB828SW

MB82845

Key Advantages

- ✓ Out performs other brands
- ✓ Maintenance free and will not dent
- ✓ Withstands hot and cold temperature extremes
- ✓ Resistant to ramp chemicals and UV rays
- ✓ Stainless steel clamps and hardware will not corrode or rust
- ✓ Ergonomic handles for convenient carrying
- ✓ Fits any aircraft and any locking configurations

All sizes and configurations for every need.

Sage Parts offers RAMPTECH® PCA adaptors in a wide range of sizes including 8" x 8"; 8" x 12"; and 45-degree x 360-degree swivel adaptors. See reverse side for configurations.

Anticipating needs, meeting demands. Reducing costs.

PRODUCT SHEET:

RAMPTECH® PCA ADAPTORS HIGH PERFORMANCE NON-METALLIC

8 TO 8 CONFIGURATIONS

**8 to 8 PCA Adaptor
MB828**
8 in x 8 in x 9.5 in
(20.32 cm x 20.32
cm x 24.13 cm)

**8 to 8 PCA Adaptor
45 Degree Angle
360 Degree Swivel
MB828SW45**
8 in x 8 in x 24.5 in
by 45 degree (20.32
cm x 20.32 cm x
62.23 cm)

**8 to 8 PCA Adaptor
360 Degree Swivel
MB828SW**
8 in x 8 in x 16.50 in
(20.32 cm x 20.32
cm x 41.91 cm)

**8 to 8 PCA Adaptor
45 Degree Angle
MB82845**
8 in x 8 in x 19.75 in
by 45 degree (20.32
cm x 20.32 cm x
50.16 cm)

REPAIR KITS AND ACCESSORIES

Mounting Hardware with Gasket Kit.....	MB2009KIT
Latch, Gasket, and Hardware Kit.....	MB2012KIT
8 inch PCA Duct Clamp.....	501197
12 inch PCA Duct Clamp.....	501198
14 inch PCA Duct Clamp.....	501199

Anticipating needs, meeting demands. Reducing costs.
